LB 207, 719

SENATOR WILL: Madam President, I'd move for the readvancement of LB 207 to E & R for engrossment.

PRESIDENT MOUL: You've heard the motion to advance. All those in favor please say aye. Opposed nay. LB 207E is advanced.

CLERK: Madam President, Senator Baack would move to return the bill for a specific amendment. Senator, AM1660.

PRESIDENT MOUL: Speaker Baack.

SPEAKER BAACK: Yes, Madam President and colleagues, this is purely a technical amendment of some language that needs to be cleared up for the recordkeeping system of the Department of Education. It also is some language that is included in LB 719, but we just as well put it in LB 207 also. With that I would just urge the return and then the adoption of the amendment.

PRESIDENT MOUL: Thank you, Speaker Baack. Is there anyone who wishes to speak to this motion? Seeing none, we will vote on the motion to return. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 31 ayes, 0 nays, Madam President, on adoption of the motion to return.

PRESIDENT MOUL: We are at Select File. Speaker Baack.

SPEAKER BAACK: I would just urge the adoption of this technical amendment for the Department of Education.

PRESIDENT MOUL: Thank you, Speaker Baack. Senator Withem.

SENATOR WITHEM: Yeah, I have a question of Senator Baack. You say this language is technical sort of stuff needed for recordkeeping, I understand. You say it's also in LB 719?

SPEAKER BAACK: Yes, there is some language in LB 719.

SENATOR WITHEM: Would it be okay if we just amended 719 into 207 then?

SPEAKER BAACK: Absolutely not.
